DETAILED ACTION

Allowable Subject Matter

1. Claims 1-2 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art does not teach the scooter folding structure as recited in claim 1, which includes a connecting block and a fastener device having a rod, a knob and a spring. The connecting block comprises a pair of connecting parts with a position hole on each of the connecting part and a pair of locating studs on one side thereof. The rod has an enlarge section adapted to receive the spring. The rod also comprises a threaded section underneath the enlarge section. The knob secured to a top end of the rod thereof. The rod being sleeved with the spring and inserted through a boss protruding from a top end of a base of a handle tube. This recitation, in combination with the rest of the recited elements, clearly defines over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Chang discloses a foldable skate board scooter, Wu discloses a

folding structure for a skate board scooter, Hsu discloses a folding device for scooter, Tung discloses a folding and positioning device of scooter.
